

FUN-OF A-KIND

WHOLESALE OVERVIEW

iFLY is the experiential entertainment company that created modern indoor skydiving... no parachute and no jumping required – just lean in to float on a smooth cushion of air. Indoor skydiving simulates the experience of human flight in a safe, comfortable and fun environment. It's the thrill of a lifetime for ages 3 to 103.

Today, iFLY has 65 locations around the world in the US, Canada, Europe and Asia, and the list continues to grow.
